

TRIBUTE TO BRUSHES Nino Debrosvljevic

Exhibition: July 2 - 31
Reception: July 8 | 1-3pm

Nino has been captivated by the artwork of the old masters since his youth. The illusion of depth captured in 'Trompe-l'œil' (trick of the eye) paintings fascinates me. I have incorporated this style in my own work, creating paintings that appear to leap off the flat canvas, while still incorporating the traditional nature, still life and portrait styles of painting. I am a member of the Federation of Canadian Artists - Fraser Valley Chapter and the International Guild of Realism.
