COMPETITION AND EXHIBITION INFORMATION

PURPOSE OF THE COMPETITION: The competition is to provide artists an opportunity to prepare an original art piece the size of 24" x 36" portrait or landscape, no other sizes will be considered. The client is located at Vinoscenti Vineyards, 15560 Colebrook Road in Surrey off 152nd Street. The subject is up to each artist keeping in mind the client is Surrey's first land based winery. On June 15th the owner will be talking to the selected artists with his vision for the art piece that will be created exclusively for them.

CRITERIA FOR COMPETITION: The basis for selection of the art will be responsive to the variety of work submitted, in realization that artists make art for different reasons and from different experiences. The jurors look for new works that show personal creative explorations and artistic commitment with respect to the subject matter. Jurors will also consider the carrying-out of the work, as relayed by the artist's meaning, to select a balanced representation of styles, subject matter, and media and most importantly the interpretation of the owners' vision and vineyard from the selected artists' submissions. Framing of the artwork is not required unless the artist considers this to be a part of the submitted piece.
