CRITERIA FOR ADJUDICATION: The basis for selection of the art will be responsive to the variety of work submitted, in realization that artists make art for different reasons and from different experiences. The jurors look for new works that show personal creative explorations and artistic commitment. OTHER INFORMATION: The Committee will take the utmost care in handling the work but cannot be responsible for loss or damage. To ensure originality and quality, work will NOT be accepted that is: a copy of the work of others; made entirely from a kit or commercial design; and/or an article made entirely from a commercial mold. All pieces must be dry and ready to be displayed. All unframed artwork needs a hanging sleeve, cleat or loops/rings on the back of the work. Digital media works must be provided on a USB drive/memory stick. Interactive computer-based art works must be presented on a supplied computer. Sorry, no online artworks can be accommodated. Work is to have been completed within the last two (2) years. Work must NOT have been previously shown in a public, commercial or juried exhibition. For the protection of both people and work, each piece must be able to be carried easily by one person, and fit through a standard door. Works exceeding four feet (4') in width (including the frame), or of excessive weight or height, will be refused entry by the Committee receiving the work at the time of delivery. The decision of the Committee is final. Multi panel or multi component pieces (i.e. diptychs, triptychs) will be accepted; however the whole work cannot exceed the 4-foot width limitation as outlined above. By entering this call, permission is given to the Arts Council and the Surrey Art Gallery to photograph accepted works for publicity and documentary purposes, including promotion of the exhibition on their websites. Artists who enter the competition are asked to provide a short (2-3 sentences) artist's statement about the artwork submitted (see the attached form). This helps the adjudication process and will be the statement used to accompany the selected pieces, This is part of the label, included in the exhibition catalogue, and for a potential feature in the Arts Council's Spotlight on the Arts magazine.
