Artist's Agreement

I authorize the Arts Council of Surrey to display the artwork listed on the Artist's Inventory List that will be supplied to the NCC office. While all due care and precaution will be taken, the Arts Council of Surrey does not take any responsibility for damage or loss of artwork listed herein. It is understood that insurance of the artist's work is the responsibility of the artist during the show.

Upon acceptance, the artist will be given a show set up date and take down date. An artist or group may be rescheduled **no later than 45 days before the show**, with good reason and with the understanding that every effort will be made to accommodate them at another time in the not too distant future.

THIS AGREEMENT is made between _____ (hereinafter referred to as the "Artist"), and The Arts Council of Surrey (hereinafter referred to as "ACS"). The artworks are hereinafter collectively referred to as the "Works" or "Work." Throughout this Agreement, the terms "Works" and "Work" refer exclusively to the specific works the Artist agrees to exhibit in the Gallery.

The Gallery Space

Artists are expected to tour the gallery prior to their show to ensure they know the gallery space. Gallery Measurements: approximately 21' x 24' (not including doors and windows).

Our Gallery Manager/Curator will be available to aid in the hanging of the exhibition. Artists are required to be available on the date of artwork hanging; In the case of an emergency arrangements can be made to drop off artworks at the Newton Cultural Centre prior to the hanging date.

Frames, if used, *must be in good condition*. All work must have appropriate hanging wires and be compatible with the current hanging system. White "Sticky" Tack is the only thing allowed to attach other things to the walls (NO tape or glue permitted). The gallery manager reserves the right to refuse works that they feel are unsuitable for the ACS gallery to be shown.

All artwork must be originals with the exception of photography. No giclee prints to be hung on walls. Artists are welcome to sell prints/giclee of their work and art cards only while present in the gallery.

If any specialized equipment is needed to display the works artist must supply it. Artists must inform the curator of any special equipment well in advance of their exhibition month.

Artists are welcome to have their artwork for sale for the duration of their exhibition, however if the pieces are not for sale they need to be labeled "NFS". See the finance section on page 3 for art sale information.

A guest book is kept in the gallery and copies of the comments are given to the artists at the end of the show (*please do not bring your own book*). Business cards and brochures are welcome.
