- Artists will be responsible for transportation of their sculpture to and from the White Rock site. Pedestals/ pads will be provided by the White Rock Events Society.
- City staff and/or contractors will perform the sculpture installation to ensure the work is done in accordance with City standards, and to ensure the installation offers optimal viewing of the sculpture.
- Sculptures will be placed in predetermined locations at the discretion of the White Rock Promenade Sculptures Competition committee and City.
- The White Rock Events Society will receive a 30% commission on any sculpture sold (all sculptures must be available for sale).
- The sculptures are owned by the sculptors and loaned to the event.
- The artist will retain copyright for their sculpture and grant the White Rock Events Society a license to take and distribute images of the sculptures. Any other likeness or models of the sculpture will not be created without the explicit permission of the artist.

Artists are encouraged to be present for the installation of their sculpture in September 2022, and removal in August, 2023. If the artist cannot be present, they must provide a representative to be present on their behalf.
