

# YOUTH ARTS COUNCIL *of* SURREY

We are the **Youth Arts Council of Surrey** (YACOS, formed in 2004). Our mission is to profile, encourage participation, and support the Visual, Performing, and Literary Arts to youth in Surrey. We are a non-profit youth-driven council supporting the arts by youth, for youth.

The YACOS consists of dedicated young people aged 13 to 21 who want to see more youth participation in the Arts. Some of the projects that members of the YACOS are currently organizing include: an art exhibit, a multicultural fashion show, a playwright competition of one-act plays, and a city-wide student talent show.

Through this innovative council, members have the opportunity to meet people from different backgrounds, and to acquire exciting new skills, such as event planning, meeting preparation, and proposal presentation. At the same time, the events that we organize provide an opportunity for the youth of Surrey to display their talents to wide audiences, contributing to the cultural enrichment of the community at large.
